13. Payment of Professional Fees

Notwithstanding the requirements of Sections III.A.1.d, V.B.6 and V.B.7 hereof, which shall not apply to payments made under this Section, on the Effective Date, Reorganized Solutia shall pay, as Allowed Administrative Expense Claims, upon the presentation of invoices to the Debtors and the Creditors' Committee by no later than five (5) days after the Confirmation Date, the reasonable fees and expenses incurred on or prior to August 14, 2007 by (a) the professionals who provided services to the Prepetition Indenture Trustee and to the Ad Hoc Notes Committee, in an amount up to \$8 million in the aggregate, to be allocated between such professionals as directed by the Ad Hoc Notes Committee, (b) Brown Rudnick Berlack Israels LLP, counsel to the Ad Hoc Trade Committee, in an amount up to \$2 million and (c) Haynes and Boone, LLP, counsel to Highland Capital Management, LP. Such professionals shall not be required to file any fee applications or other requests with the Bankruptcy Court for the payment of such fees; provided, however, that if any objection is raised by either the Debtors or the Creditors' Committee (the only parties entitled to object) as to whether the amount to be paid by the Estates on account of the fees and/or expenses is reasonable in light of the services rendered that cannot be resolved within twenty (20) days of service of the invoices, then the party objecting to the payment of such fees and/or expenses shall file and serve upon the relevant professional firm(s), within twenty (20) days of service of the invoices, an objection with the Bankruptcy Court requesting that the Bankruptcy Court determine whether the amount to be paid by the Estates on account of the fees and/or expenses is reasonable in light of the services rendered; provided, further, however, that no fees shall be paid until the later of (i) the twenty (20) day period having lapsed with no objections having been filed with respect to such fees and/or expenses and (ii) a Final Order resolving any such objection filed with respect to such fees and/or expenses having been entered by the Bankruptcy Court.

Notwithstanding the forgoing, nothing herein modifies or limits the Prepetition Indenture Charging Lien. To the extent that professional fees and expenses are paid by the Debtors under the Plan on account of the fees and expenses of the Prepetition Indenture Trustee, including but not limited to the

fees and expenses of the professionals engaged by or on behalf of the Prepetition Indenture Trustee under the Prepetition Indenture, then such amount paid shall reduce any amount due under or subject to the Prepetition Indenture Charging Lien. To the extent that the professional fees and expenses allocated to be paid by the Debtors under the Plan on account of the fees and expenses of the Prepetition Indenture Trustee, including but not limited to the fees and expenses of the professionals engaged by or on behalf of the Prepetition Indenture Trustee under the Prepetition Indenture, are subject to an objection as authorized in the preceding paragraph, then the Prepetition Indenture Trustee may withhold such amounts from Distributions to Holders of Noteholder Claims until such time as the objection is resolved, thereby insuring that the Prepetition Indenture Charging Lien claim is paid in full; provided, however, that any such reduction by reason of the Prepetition Indenture Charging Lien shall not be reflected in determining the Pro Rata shares of the Stock Pool designated for Allowed General Unsecured Claims and Allowed Noteholder Claims.

As soon as reasonably practicable after the Effective Date, and subject to the terms of this paragraph, Reorganized Solutia shall pay, as Allowed Administrative Expense Claims upon the presentation of invoices to Reorganized Solutia, Monsanto, the Creditors' Committee, the Retirees' Committee, the Ad Hoc Notes Committee, the Ad Hoc Trade Committee, the Equity Committee, the Prepetition Indenture Trustee and the Bankruptcy Court: (a) the reasonable hourly and monthly fees and documented out of pocket expenses incurred by the following professionals during the period from August 15, 2007 through the Effective Date: Hennigan, Bennett & Dorman LLP, counsel to the Ad Hoc Notes Committee; The Blackstone Group, financial advisor to the Ad Hoc Notes Committee; Reed Smith LLP, counsel to the Prepetition Indenture Trustee; Haynes and Boone LLP, counsel to Highland Capital Management; and Brown Rudnick Berlack Israels LLP, counsel to the Ad Hoc Trade Committee; and (b) the documented out of pocket expenses incurred by the Prepetition Indenture Trustee during the period from August 15, 2007 through the Effective Date. The foregoing professionals shall not be required to file any fee applications or other requests with the Bankruptcy Court in connection with the payment of such fees and expenses; provided, however, that if any dispute between any of Reorganized Solutia, Monsanto, the Creditors' Committee, the Retirees' Committee, the Ad Hoc Notes Committee, the Ad Hoc Trade Committee, the Equity Committee and the Prepetition Indenture Trustee and any of the foregoing professionals regarding such professional fees cannot be resolved within twenty (20) days of service of the statements, then the party objecting to the payment of such fees and/or expenses shall, within twenty (20) days of service of the statements, file an objection with the Bankruptcy Court requesting that the Bankruptcy Court determine the reasonable amount of fees to be paid to such professional. No fees shall be paid until the later of (i) the twenty (20) day period having lapsed with no objections having been filed with respect to such fees and/or expenses and (ii) a Final Order resolving any objection filed with respect to such fees and/or expenses having been entered by the Bankruptcy Court. Any such objection will be heard at the hearing before the Bankruptcy Court to consider the final fee applications of the Professionals.

The amount of New Common Stock to be deposited in the Disputed General Unsecured Claims Reserve will be determined based on the lesser of (a) the asserted amount of the Disputed General Unsecured Claim filed with the Bankruptcy Court or (if no proof of such Claim was filed) scheduled by the Debtors, (b) the amount, if any, estimated by the Bankruptcy Court pursuant to section 502(c) of the Bankruptcy Code or (c) the amount otherwise agreed to by the Debtors and the Holder of such Disputed General Unsecured Claims.

2. Distributions After Allowance

Reorganized Solutia shall distribute from the Disputed General Unsecured Claims Reserve to the Holder of any Disputed General Unsecured Claim that has become an Allowed General Unsecured Claim, no later than the fifth (5th) Business Day after the end of the calendar month in which such Disputed General Unsecured Claim becomes an Allowed General Unsecured Claim, New Common Stock (including any Cash dividends and other Distributions earned on the New Common Stock) in an amount equal to the New Common Stock that such Holder would have received an account of such Claim if such Claim had been an Allowed General Unsecured Claim on the Effective Date.

3. Distributions After Disallowance.

If a Disputed General Unsecured Claim is disallowed, in whole or in part, Reorganized Solutia shall on a quarterly basis (and in no event later than the fifth (5th) Business Day after the end of each calendar quarter) distribute the New Common Stock (including any Cash dividends and other Distributions earned on account of the New Common Stock), reserved in respect of such disallowed Disputed General Unsecured Claim from the Stock Pool to Holders of Allowed Noteholder Claims and Allowed General Unsecured Claims in a manner designed to ensure that the Holders of Allowed Noteholder Claims and Allowed General Unsecured Claims receive the same Pro Rata share of the Stock Pool without giving effect to any reduction of the percentage recovery on account of Allowed Noteholder Claims resulting from the imposition of the Prepetition Indenture Trustee Charging Lien.

4. Property Held in Disputed General Unsecured Claims Reserve

a. Dividends and Distributions

Cash dividends and other Distributions earned on account of the New Common Stock to be held in the Disputed General Unsecured Claims Reserve will be transferred to the Disputed General Unsecured Claims Reserve, concurrently with the transfer of such dividends and other Distributions to other holders of New Common Stock. Cash held in the Disputed General Unsecured Claims Reserve as a result of such dividends and other Distributions will (i) be deposited and held in trust pending distribution by Reorganized Solutia for the benefit of Holders of Allowed General Unsecured Claims and Noteholder Claims, (ii) be accounted for separately and (iii) not constitute property of the Reorganized Debtors. Reorganized Solutia will invest the Cash held in the Disputed General Unsecured Claims Reserve in a manner consistent with the Reorganized Debtors' investment and deposit guidelines. Reorganized Solutia also will place in the Disputed General Unsecured Claims Reserve, the proceeds, net of any applicable fees, from such investment of Cash, and Distributions to Holders of Allowed General Unsecured Claims and Allowed Noteholder Claims will include a proportionate share from such investment of Cash from the Disputed General Unsecured Claims Reserve.

b. Recourse

Each Holder of an Allowed General Unsecured Claim (or a Disputed General Unsecured Claim that ultimately becomes an Allowed General Unsecured Claim) or Noteholder Claim will have recourse only to the undistributed New Common Stock and their proportionate share of the proceeds from the investment of Cash and dividends, if any, held in the Disputed General Unsecured Claims Reserve for satisfaction of the Distributions to which Holders of Allowed General Unsecured Claims and Noteholder Claims are entitled under the Plan, and not to any Reorganized Debtor, Pharmacia, Monsanto, its property or any assets previously distributed on account of any Allowed Claim.

c. Voting Rights

The shares of the New Common Stock held in the Disputed General Unsecured Claims Reserve shall be voted in accordance with, and in direct proportion to, the votes cast by those shareholders, excluding Monsanto and the Entity holding the New Common Stock issued on account of the Retiree Claim, voting on any and all matters for which a vote of the shareholders of the New Common Stock is taken or required.

ARTICLE VIII

PROCEDURES FOR TREATING DISPUTED GENERAL UNSECURED CLAIMS

A. Objections to Claims

After the Effective Date and on or before the Claims Objection Deadline, the Reorganized Debtors shall have the authority to file objections to Claims or Equity Interests. The Reorganized Debtors may settle, compromise, withdraw or litigate to judgment objections to Claims. The Reorganized Debtors shall consult with the Creditors' Committee (until the Creditors' Committee is dissolved under the terms of this Plan) in the process of reconciling, objecting to and/or allowing General Unsecured Claims.

B. General Unsecured Claims Monitor

Upon the Effective Date, an entity selected by the Creditors' Committee and approved by the Bankruptcy Court shall serve as an independent claims monitor. The claims monitor shall be paid by the Reorganized Debtors on a monthly basis in an amount agreed to, prior to the Confirmation Hearing, between the Debtors and the claims monitor, with the reasonable consent of the Creditors' Committee, and approved by the Bankruptcy Court, until the General Unsecured Claims reconciliation process is concluded. The claims monitor shall be authorized to retain counsel of its choice and shall have standing to raise and appear on issues concerning the General Unsecured Claims reconciliation process. The Reorganized Debtors shall be responsible for compensating the claim monitor's counsel for all reasonable fees and expenses incurred, in accordance with the claim monitor's counsel's normal billing practices; provided, however, that the total amount of the claim monitor's counsel's fees and expenses in connection with the General Unsecured Claims reconciliation process for which the Reorganized Debtors shall be responsible shall not exceed an amount in the aggregate agreed to, prior to the Confirmation Hearing, between the Debtors and the claims monitor, with the reasonable consent of the Creditors' Committee, and approved by the Bankruptcy Court. If the claims monitor believes that the Reorganized Debtors are failing to administer the General Unsecured Claims reconciliation process adequately and, as a result, intends to take action, then the claims monitor shall provide the Reorganized Debtors and the Creditors' Committee until it is dissolved in accordance with the terms hereof within five (5) Business Days' written notice of its intent to take such proposed action. During the notice period, the Reorganized Debtors may either consent to the relief sought, agree to proceed in good faith with the proposed action on their own, or petition the Bankruptcy Court for an order declaring that such proposed action is unreasonable. If the Reorganized Debtors do not so petition the Bankruptcy Court or the Bankruptcy Court determines that the proposed action is reasonable, the Reorganized Debtors shall be responsible for compensating the claims monitor's counsel for all reasonable fees and expenses incurred in taking the proposed action and in seeking Bankruptcy Court approval of payment with respect to such proposed action. To the extent the Bankruptcy Court determines that such proposed action is unreasonable, then the claim monitor's counsel shall not be reimbursed for any fees or expenses incurred in connection with such proposed action or its attempt to take such proposed action. Notwithstanding the foregoing, the Reorganized Debtors reserve their right to dispute the reasonableness of compensation sought by the claim monitor's counsel for services performed and expenses incurred following the Effective Date by the filing of an appropriate motion with the Bankruptcy Court. The Reorganized Debtors will retain primary responsibility of the General Unsecured Claims reconciliation process and will provide monthly reports of the status of the General Unsecured Claims reconciliation process to the claims monitor, and, if it has not been dissolved in accordance with the terms hereof, the Creditors' Committee.

C. No Distributions Pending Allowance

Notwithstanding any other provision herein, if any portion of a Claim is a Disputed Claim, no payment or Distribution provided hereunder shall be made on account of such Claim unless and until such Disputed Claim becomes an Allowed Claim, in whole or in part. No interest shall accrue on such Disputed Claim until the date that such Disputed Claim, as applicable, becomes an Allowed Claim.

D. Estimation of Claims

The Debtors (prior to the Effective Date) or Reorganized Debtors (after the Effective Date), the Creditors' Committee, if it has not been dissolved in accordance with the terms hereof, and the General Unsecured Claims Monitor, if the Creditors' Committee has been dissolved at the time, may, at any time, and from time to time, request that the Bankruptcy Court estimate any Disputed Claim pursuant to section 502(c) of the Bankruptcy Code regardless of whether an objection was previously filed with the Bankruptcy Court with respect to such Claim, or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court will retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any Disputed Claim, that estimated amount will constitute either the Allowed amount of such Claim or a maximum limitation on such Claim against any party or Entity, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on such Claim, the Debtors (prior to the Effective Date) or the Reorganized Debtors (after the Effective Date), the Creditors' Committee, if it has not been dissolved in accordance with the terms hereof, and the General Unsecured Claims Monitor, if the Creditors' Committee has been dissolved at the time, may elect to pursue any supplemental proceedings to object to any ultimate Distribution on such Claim. All of the objection, estimation, settlement and resolution procedures set forth in the Plan are cumulative and not necessarily exclusive of one another. Claims may be estimated and subsequently compromised, objected to, settled, withdrawn or resolved by any mechanism approved by the Bankruptcy Court.

The Plan shall be binding upon and inure to the benefit of the Debtors, the Reorganized Debtors, all Holders of Claims and Equity Interests and their prospective successors and assigns, including all parties in interest in the Chapter 11 Cases and all Professionals.

B. Preservation of Avoidance Actions

On and after the Effective Date, any and all Avoidance Actions (other than the Avoidance Action against Monsanto and Pharmacia, which shall be resolved pursuant to the terms of the settlement among Solutia, Monsanto and Pharmacia) shall be preserved and retained by the Reorganized Debtors, which shall have the exclusive right to enforce, settle and prosecute any such Avoidance Actions. Reorganized Solutia may pursue, abandon, settle or release any or all retained Avoidance Actions, as it deems appropriate, subject to the reasonable consent of Monsanto and the Creditors' Committee, if still in existence, and Bankruptcy Court approval. Any recovery received on account of an Avoidance Action may be retained by the Reorganized Debtors. Reorganized Solutia may offset any claim supporting an Avoidance Action against any payment or Distribution due to any Holder of a Claim under the Plan. In addition, if a Distribution is made in error, the Reorganized Debtors can bring an action pursuant to section 502(d) of the Bankruptcy Code to recoup such Distribution.

C. Claims of the United States of America

Nothing in this Plan and the transactions approved hereby is intended to or shall (i) release any non-Debtor of any claims, rights or causes of action arising in favor of or (ii) enjoin the United States of America, including all federal agencies, or any states thereof; provided, however, that nothing in this Plan or otherwise shall prevent any party from asserting defenses, counterclaims or other rights against the United States of America or any states thereof under applicable non-bankruptcy law.

D. Applicability of Section 1125(e) of the Bankruptcy Code

The protection afforded by section 1125(e) of the Bankruptcy Code with regard to the solicitation of acceptances or rejections of the Plan and with regard to the offer, issuance, sale or purchase of the New Common Stock, or any other security, shall apply to the full extent provided by law, and the entry of the Confirmation Order shall constitute the determination by the Bankruptcy Court that the Debtors, Monsanto, the Creditors' Committee, the Retirees' Committee, the Prepetition Indenture Trustee, the Equity Committee, the Ad Hoc Trade Committee and the Ad Hoc Notes Committee and each of their respective officers, directors, partners, employees, members, agents, attorneys, accountants, financial advisors, investment bankers, dealer-managers, placement agents, and other professionals, shall have acted in good faith and in compliance with the applicable provisions of the Bankruptcy Code pursuant to section 1125(e) of the Bankruptcy Code and that the Plan has been proposed in good faith and not by any means forbidden by law.

E. Dissolution of the Creditors' Committee, Retirees' Committee and Equity Committee

On the Effective Date, the Creditors' Committee, the Retirees' Committee and the Equity Committee shall be dissolved and the members thereof shall be released and discharged of and from all

further authority, duties, responsibilities and obligations relating to and arising from and in connection with the Chapter 11 Cases, and the retention and employment of their attorneys or other Professionals shall terminate; provided, however, that the Creditors' Committee, the Retirees' Committee and the Equity Committee shall continue to exist after such date and their professional fees and expenses shall be reimbursed by the Debtors or Reorganized Debtors, as applicable, solely with respect to applications filed with the Bankruptcy Court pursuant to sections 328, 330 and 331 of the Bankruptcy Code seeking payment of Professional Fee Claims and for any appeals related thereto; provided, further that (1) the Creditors' Committee shall continue to exist after the Effective Date so long as there is (a) an appeal or other litigation pending in connection with the Prepetition Indenture Trustee Adversary Proceeding, the Equity Committee Adversary Proceeding, the Plan, the Confirmation Order or any proceeding that may materially affect recoveries to unsecured creditors or (b) any objection pending in connection with the payment of the professional fees and/or expenses in accordance with Section V.B.13 of Hennigan, Bennett & Dorman LLP, counsel to the Ad Hoc Notes Committee; The Blackstone Group, financial advisor to the Ad Hoc Notes Committee; Reed Smith LLP, counsel to the Prepetition Indenture Trustee; Haynes and Boone LLP, counsel to Highland Capital Management; or Brown Rudnick Berlack Israels LLP, counsel to the Ad Hoc Trade Committee; or the expenses incurred by the Prepetition Indenture Trustee; and (2) the professional fees and expenses of the Creditors' Committee in connection with (1) above shall be reimbursed by the Debtors or Reorganized Debtors without application to the Bankruptcy Court consistent with Section V.D hereof.

F. Payment of Statutory Fees

All fees payable pursuant to section 1930 of title 28 of the United States Code, shall be paid by the Debtors or the Reorganized Debtors, as applicable, for each quarter (including any fraction thereof) until the Chapter 11 Cases are converted, dismissed or closed, whichever occurs first.

G. Modification of the Plan

Subject to the limitations contained in the Plan, (1) the Debtors reserve the right, in accordance with the Bankruptcy Code and the Bankruptcy Rules, to alter, amend or modify the Plan prior to the entry of the Confirmation Order, provided, however, that any material alteration, amendment or modification of the Plan shall be subject to the consent of Monsanto, Pharmacia (if such provision directly affects Pharmacia), the Prepetition Indenture Trustee (if such provision directly affects the Prepetition Indenture Trustee, the 2027 Notes or the 2037 Notes) and the Creditors' Committee, which shall not be unreasonably withheld, and (2) after the entry of the Confirmation Order, the Debtors and the Reorganized Debtors may, upon order of the Bankruptcy Court and with the consent of Monsanto and, unless the Creditors' Committee has been dissolved, the Creditors' Committee, which consent shall not be unreasonably withheld, amend or modify the Plan, in accordance with section 1127(b) of the Bankruptcy Code, or remedy any defect or omission or reconcile any inconsistency in the Plan in such manner as may be necessary to carry out the purpose and intent of the Plan. A Holder of a Claim that has accepted the Plan shall be deemed to have accepted the Plan as altered, amended or modified, if the proposed alteration, amendment or modification does not materially and adversely change the treatment of the Claim of such Holder.

H. Severability

In the event that the Bankruptcy Court determines that any provision of the Plan is invalid, void or unenforceable, such provision shall be invalid, void or unenforceable with respect to the Holder or Holders of such Claims or Equity Interests as to which the provision is determined to be invalid, void or unenforceable. The invalidity, voidness or unenforceability of any such provision shall, with the consent of the Debtors, Monsanto, the Prepetition Indenture Trustee (if such provision directly affects the

Prepetition Indenture Trustee, the 2027 Notes or the 2037 Notes), the Equity Committee (if such provision directly affects the Holders of Equity Interests) and the Creditors' Committee, which such consent shall not be unreasonably withheld, in no way limit or affect the enforceability and operative effect of any other provision of the Plan.

I. Revocation or Withdrawal of the Plan

The Debtors reserve the right to revoke or withdraw the Plan prior to the Confirmation Date; provided, however, that any such revocation or withdrawal shall be subject to the consent of Monsanto and the Creditors' Committee, which consent shall not be unreasonably withheld. If the Debtors revoke or withdraw the Plan prior to the Confirmation Date, then the Plan shall be deemed null and void. In such event, nothing contained in the Plan shall constitute or be deemed a waiver or release of any Claims by or against the Debtors or any other Person or Entity or to prejudice in any manner the rights of the Debtors or any Person or Entity in any further proceedings involving the Debtors.

J. Section 1145 Exemption

Section 1145(a) of the Bankruptcy Code provides that, subject to certain limitations, certain federal, state and local requirements regarding registration of securities do not apply to securities that are offered or sold under a plan of reorganization. The New Common Stock, the Rights and the Warrants issued pursuant to the Plan on account of Allowed Claims and common stock in Solutia may be issued without "Registration" under the Securities Act to the extent permitted by section 1145 of the Bankruptcy Code, and may not be offered or sold except in compliance with the Securities Act. The Debtors have not obtained, and do not intend to obtain, a "no-action" letter from the Securities and Exchange Commission to the effect that the Securities and Exchange Commission will not take enforcement action if such New Common Stock is issued in accordance with the provisions of the Plan without registration under the Securities Act.

K. Section 1146 Exemption

Pursuant to section 1146(c) of the Bankruptcy Code, any transfers of property pursuant hereto shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, stamp act, real estate transfer tax, mortgage recording tax or other similar tax or governmental assessment, and the Confirmation Order shall direct the appropriate state or local governmental officials or agents to forgo the collection of any such tax or governmental assessment and to accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, recordation fee or governmental assessment.
